Monday, 28 June 2010

### **End of life announcement - See product list below**

The TDK-Lambda ZPS100- xx power supply series will be discontinued due to the obsolescence of the on-board control IC.

Our recommended replacement for this product series is indicated below:

<b>Discontinued model</b>	<b>Replacement model/s</b>
ZPS100-xx	ZPSA100-xx

We realise that some customers who have purchased these models in the past might have the need to purchase additional identical units either as spares or to use where they have been designed-in to OEM equipment. Therefore we are offering a “last time buy” opportunity.

We will accept orders up to and including 31<sup>st</sup> July 2010. All deliveries will be before 30th October 2010 as the ZPS100-xx is only EN60950-1 1<sup>st</sup> Edition compliant.

For further assistance, please contact TDK-Lambda UK Sales department, Tel +44 (0) 1271 856666, Fax: +44 (0) 1271 864894 or your usual field sales contact. Our technical helpdesk is also available on this number or via our web-site at <http://www.uk.tdk-lambda.com/> where you can also find data on all of our current products and our comprehensive product selector web tools.
