

## EMS Declaration

Status of Environmental Management System (EMS) at

**TDK-Lambda France Sas Succursale Italiana**  
**Via Giacomo Matteotti 62,**  
**20092 Cinisello Balsamo (MI)**  
**Italia**

The Environmental Management System developed, implemented and operated by TDK-LAMBDA FRANCE SAS (Italian Branch), is recognised to be in compliance with the Environmental Management System ISO 14001:2015.

The system has been assessed by a TDK-Lambda UK Ltd certified lead auditor and was found to meet the requirements of ISO 14001:2015. TDK-Lambda UK Ltd is registered with BSI as ISO 14001:2015 compliant: EMS Certificate No: 518156.

Having reviewed the findings of the assessment performed, I am satisfied that the Environmental Management System run by TDK-LAMBDA FRANCE SAS (Italian Branch) , complies with the requirements of the ISO14001:2015 standard.

A handwritten signature in blue ink, appearing to read 'Adam Rawicz', is written over a horizontal line.
