

P/N	Code	Description
6000A	CU PLUS kit	Central Unit kit with External Antenna
6006A	CU LITE PLUS kit	Central Unit kit (50 BATTERIES max.) with External Antenna
	<i>P/N 6000, 6000A, 6006 and 6006A include:</i> 6002 6003 6004 6005	4GB micro SD card Power supply 5V/1A USB cable (Type A - Mini B), 1.5m long CD with documentation and software
6030	IDAM kit <i>includes:</i> 6031 6032 6033	<b>Current and charge cycles monitoring kit (300A max.)</b>  IDAM 1 module (suitable for 300A) Current clamp 300A max. Power supply 12V/0.5A
6035	IDAM 600 kit <i>includes:</i> 6036 6034 6033	<b>Current and charge cycles monitoring kit (600A max.)</b>  IDAM 2 module (suitable for 600A) Current clamp 600A max. Power supply 12V/0.5A
6010	DAM-H	<b>Voltage temperature and internal resistance monitoring module for 5...18Vdc</b>
6020	DAM-L	<b>Voltage temperature and internal resistance monitoring module for 1.5...5.5Vdc</b>
6040	TSENSE	External temperature sensor
6050	DAMF63	0.25m long DAM connection cable (Kelvin mode) with 6.3mm faston terminal
6060	DAMR6	0.25m long DAM connection cable (Kelvin mode) with 6.0mm ring terminal
6062	IDAMR6	0.25m long IDAM battery supply cable with 6.0mm ring terminal
6065	DAMR8	0.25m long DAM connection cable (Kelvin mode) with 8.0mm ring terminal
6069	DAMR10	0.25m long DAM connection cable (Kelvin mode) with 10.0mm ring terminal
6070	DAMC	0.25m long DAM connection cable (Kelvin mode) with 6.0mm C shape (fork) terminal
6080	DAMCR	0.25m long DAM connection cable (Kelvin mode) with crocodile clamps terminal
