

## EU declaration of conformity

We declare hereby, that the following device:

**Product Description:** 240W, DIN Rail DC / DC converter

Model Designation: NDD240-11024

Complies with the requirements set out in the European Council Directive.

The following standards were applied:

RoHS Directive	2011/65/EU	amended with (EU) 2015/863
Low Voltage Directive	2014/35/EU	
Safety Standards	EN60950-1:2006+A11:2009+A1:2010+A12:2011+A2:2013	
	EN50178:1997	
Electromagnetic Compatibility Directive	2014/30/EU	
EMI (Electro-Magnetic Interference)	EN61000-6-4:200	7 Generic emission standard for industrial environments
EMS (Electro-Magnetics Susceptibility)	EN61000-6-2:200	5 Generic immunity standard for industrial environments

## Note:

The DC-DC converter is considered as a component that will be operated in combination with final equipment. Since EMC performance will be affected by the complete system, the final equipment manufacturer must re-qualify EMC Directive on the complete system again.
