End of Product Life Notification – KWD Series

Dear customer / valued partner,

The KWD series of dual output PCB mount power modules have been in production for approximately 20 years. TDK-Lambda has received a number of EOL notifications for materials and parts used to build these products. Consequently, we are offering a last time buy for this product.

The following part numbers are affected: KWD5-1212, KWD5-1515, KWD10-1212, KWD10-1515, KWD15-1212, KWD15-1515.

We recognize that as a past or current customer of these products, you may require additional units for existing programs or for service spares. We are therefore offering a last time buy and ship opportunity as detailed in the table below:

End of Life announcement	March 26 th , 2025
Date last orders can be received	March 31 st , 2026
Last shipment date	September 30 th , 2026

Please understand that these orders would be non-cancellable, non-returnable and cannot be counted towards future stock rotations. The standard warranty period, service and conditions will apply to product sold during this last time buy notice.

For further assistance or guidance on non-form fit alternative parts, please contact your local TDK-Lambda sales department, or your usual field sales contact or via our web-site at <https://www.emea.lambda.tdk.com/uk> where you can also find data on all of our current products and our comprehensive product selector web tools.
