

Date: December 4<sup>th</sup>, 2023

To: TDK-Lambda Ltd. Customers and Partners

Subject: End of product life notification- NN product series

Dear customer / valued partner,

This notification applies to the NN product series, including all models:

- NND15-xx, NND30-xx
- NNS15-xx, NNS30-xx, NNS50-xx

1. Reason of discontinuance:

NN series orders have been declining over the past several years reaching low level. The low orders alongside the increasing cost of maintaining the NN series production due to increasing number of critical components EOL notifications and aging production equipment have reached to the point that declaring EOL of NN series is necessary after 30 years from its launch date. Please refer to the below for the EOL schedule.

Final purchase order receiving date and final shipping date:

- **LTB - Last date for receiving new orders: Dec27, 2024**
- **Last shipment date: June28, 2025**

2. Recommended replacement: TDK-Lambda group suggest wide scale of power solutions, please visit our website to additional information.

3. Warranty and support: TDK-Lambda will keep support the product for repair service as needed for 4 years after last shipment date.

Sincerely,

Yariv Eyni, Sales Director

TDK-Lambda Ltd.
